

## PAW PRINTS

Welcome to Paw Prints!

Dear Pet Lover,

Thank you for subscribing to our Paw Prints Newsletter! We hope that you will enjoy reading stories, meet some of our rescued pets, and pick up valuable tips about pet care, as well as information regarding estate planning for your pets. We usually send out a newsletter about once a month and again for special events.

We do at times run fundraising campaigns, especially when we have orphaned pets in need of veterinary care, and during the holiday season of giving because we depend on our supporters to help us save orphaned pets.

Please like us on [Facebook](#) to see what we are doing to help orphaned pets and visit our website at [www.perpetualcare.org](http://www.perpetualcare.org) for more information about estate planning for pets.

We invite you to send us stories and photos of your pets to share in our newsletter, or send us your questions by email at [info@perpetualcare.org](mailto:info@perpetualcare.org). Most likely if you have a question, someone else out there wants to know the answer too!

Thank you for loving animals and caring for your pets,
