

# YOUR LEGACY

**Legacy: A gift from the past that helps create a better future.**

As you ponder the mark you wish to leave on the world, consider the joy and unconditional love that pets bring into our lives. Your planned gift can be a tribute to the animals that have graced your journey, a testament to your kindness, and a safeguard for pets in need for generations to come.

Imagine a world where every pet is cherished, even after their owners have passed away. Imagine the comfort you could provide, the lives you could touch, and the peace of mind you would grant to pet owners facing their final days. This is the world we are building together, and it is within our reach – with your help.

Join other supporters who have already made the heartfelt decision to include Perpetual Care in their legacy planning. By doing so, they have created a lasting impact that resonates with every wagging tail, every contented purr, and every grateful gaze of the pets we serve.
